## You are invited!

To participate in the **2020 Student Art Show**, hosted by Tieton Arts & Humanities

Students: have you been crafting and making art while you are stuck at home? Now's your chance to show it off!

All Yakima Valley students grades K-12 are invited to participate in the 2020 Student Art Show, hosted by Tieton Arts & Humanities. **Student art will be shown first in a virtual gallery** on our website, and the physical gallery will be open to the public at a later date.

We accept all types of artwork with no media restrictions. A monetary prize will be awarded to one student in each grade level at a public event, date TBD. Winners do not have to be present to receive their prize.

Theme: April 22, 2020 marks the 50th Anniversary of Earth Day, and in honor of that, TA&H is participating in the "Billion Acts of Green" campaign. We encourage students to create work out of natural, recycled, upcycled, or repurposed materials, or for the imagery to relate to loving this planet we call home.

The Student Art Show will go live at [www.TietonArts.org](http://www.TietonArts.org) Saturday, April 25 and continue through June 30. Entries will be accepted beginning April 6. There is no cost to participate.

Please fill out the attached registration form and include it with your art. No entries will be exhibited without a registration form.

The 2020 Student Art Show is sponsored by:  
Community Health of Central Washington - Highland Clinic,  
Tree Top, Inc., and the Yakima Valley Community Foundation.
